- We are back to you after the effort of the MOC 2010. Now we are concentrated to organize at best the 3rd edition of the 5 Days Puglia, Gabriele Viale inform OPN.no.

Some words from Gabriele Viale

It will be 5 days of great orienteering between Foresta Umbra e centri storici and party in the sign of great hospitality, great cuisine of Puglia and the wonderful Mediterranean sea, still warm in October to enjoy a deserved bath.

Among the news we confirm the 2 Days of Calabria "Taste and test of Calabria", the native region of Nick Manfredi, just before the 5 Days Puglia, so you can take part to the 2 days of Calabria and go straight to the 5 Days of Puglia.

MTBO 2011

I received the task of organizing the World Championship of MTB Orienteering, which next year will be in Vicenza territory, in the unique landscape of Colli Berici, "at home" for me.

The great event will be 20-28 August 2011 and we will seek to make known the typical local products together the great historical and artistic value of these places. A fundamental step you will be in Bassano del Grappa, city famous not only for its beauty but also for the production of grappa. The opening ceremony will be held in the city centre in Vicenza, the city of Palladio.

Waiting the World Championship there will be some preparatory competitions that will offer the opportunity to grapple with this interesting discipline but that develops tourism opportunities in our province.

So many things this time! As you see there are lots of things under construction! So what are you waiting for? Join us and live a sporting experience in the Bel Paese!
