MOC 2011

The biggest stars follow the sun

17.12.10 - [Geir Nilsen](#)

The Swiss Daniel Hubmann, 3 times world champion (the long distance in 2008, and long and relay in 2009), 13 victories in World Cup and 2 times he has won the World Cup overall, will be one of the big stars in the MOC 2011 - 7th edition - in Sicily.

Daniel is recovering very well from a foot surgery and the warm weather and the nice sand of Sicily will help him for sure to get fit for the great summer events.

The other big orienteering stars are getting ready too: The Norwegian Øystein Kvaal Østerbø and French Francois Gonon will be his rivals.
